NATIVE PLANTS: HOW TO CHOOSE AND WHERE TO BUY

ONLINE RESOURCES TO CHOOSE THE RIGHT NATIVE PLANTS FOR YOUR GARDEN

Choose Native Plants PA

- www.choosenativeplants.com/
- Database of plants native to Pennsylvania that offers extensive filtering options based on your garden conditions and needs. It also makes suggestions on where to purchase each plant.

Chesapeake Bay Native Plant Center

- www.nativeplantcenter.net
- Filter by region, soil type, moisture, and more to identify native plants for your garden conditions.

Audubon Native Plants Database

- www.audubon.org/native-plants
- Identify native plants based on zip code that focuses on which bird species benefit from the plants.

National Wildlife Federation Native Plant Finder

- www.nwf.org/nativeplantfinder/
- Database of native plants based on zip code that prioritizes them based on their status as host plants for butterflies and moths, based on research conducted by Dr. Doug Tallamy.
